Donations – Bertie has received donations from all around the community, the State of North Carolina and the country. The victims and County are very thankful for the overwhelming show of support. We have talked to each donation site and have assessed actual needs to make sure that sites don't receive large amounts of things they don't need and none of what they do.

The sites have met or exceeded the needs in the following items and **do not need** any further donations:

Clothes
Ice
Water
Food

The sites still **need** the following items:

First Aid Supplies
Containers for Personal Effects (plastic or cardboard)
Hand sanitizer
Sunscreen
Diapers
Baby Wipes
Baby Formula & Food
Toilet Paper
Feminine Hygiene Products
Pillows and Pillow Cases
Personal Hygiene Kits
Bug Spray
Paper Plates
Plastic Cups
Plastic Silverware
Tarps
